

MEDINA RAPTOR CENTER SPONSORSHIP PROGRAM

Each year, over 400 animals are brought to the Medina Raptor Center with injuries sustained in the wild or through human activities. These animals need costly veterinary attention, on-going medical care and food during their stay at the Center. Most of the animals that come to us each year are released back into the wild, but some cannot be released due to permanent injuries. These animals become part of our educational programs and help us teach about wildlife conservation and preservation of habitat to a variety of audiences.

Sponsorship of one or more of our educational Birds will help the Medina Raptor Center meet the significant costs involved in wildlife rehabilitation. Your generous donation will go directly toward the purchase of food, veterinary care and medication for the Medina Raptor Center's patients and permanent residents.

***Are you looking for a meaningful present for a family member, friend or co-worker?
Please consider giving a Raptor Sponsorship as a unique and memorable gift.***

With your sponsorship you will receive a Certificate of Sponsorship with a photo of the bird you have chosen. Sponsors also receive the Medina Raptor Center's email newsletter.

Our educational birds that are available for sponsorship are shown on the following page. Please check the box for the bird(s) you wish to sponsor and fill out the form on page 3 with your contact information. If you would like to sponsor multiple birds for gifts please fill out a separate form for each recipient. Checks should be made out to the Medina Raptor Center. Send your check, page 2 with your sponsorship selection(s) and page 3 with your contact information to:

Medina Raptor Center
