

# MEDINA RAPTOR CENTER SPONSORSHIP PROGRAM

Each year, Medina Raptor Center takes in hundreds of birds with injuries sustained in the wild or through human activities. These birds need veterinary attention, on-going medical care and food during their stay with us. Our goal is always to rehabilitate these birds and release them back into the wild, but some cannot be released due to permanent injuries. Some of the birds deemed non-releasable are able to become part of educational programs and help us teach about wildlife conservation and preservation of habitat to a variety of audiences. Sponsorship of one or more of our Educational Ambassadors will help the Medina Raptor Center meet the significant costs involved in wildlife rehabilitation.

Are you looking for a meaningful gift for a family member, friend, or co-worker? Please consider giving a Raptor Sponsorship as a unique and memorable gift. With your sponsorship you will receive a Certificate of Sponsorship with a photo of the bird you have chosen. Sponsors also receive the Medina Raptor Center's email newsletter. Our Educational Ambassadors that are available for sponsorship are shown on the following page. Please check the box for the bird(s) you wish to sponsor and fill out the form on page 3 with your contact information. If you would like to sponsor multiple birds for gifts, please fill out a separate form for each recipient. We encourage you to choose the email option, especially, during the holiday season to ensure timely delivery of your sponsorships.
